August Classes

Please be advised, that due to low numbers during August last year, we have decided to run a single class on Wednesdays, through August. The class will run from 6.30pm until 8.30pm and is open to all ages. There will also be no penalties for being late and parents are welcome to collect their kids early if they wish. Classes resume to normal times in September. Monday & Saturday classes remain the same, however, as there are no Friday classes during the Summer holidays, meaning 12's and under miss out on a potential class, we have arranged for students of age 12 or under to be able to train at Mr Gautams Tuesday class, in Northwood for free until throughout August. This class runs from 7 until 8.30/9pm and the address can be found by visiting www.northwoodtkd.com. Please note, free classes are for students aged 12 or under and are for the Tuesday classes only. All others will be charged the normal class fee.

Student of the Month: Jonathan Choi

This month's award was decided by Mr Avis as he has been covering many classes whilst Mr A has been busy. This month the award goes to Jonathan because as well as training hard and regular (as always), he has been doing extra training at Mr Gautams Academy and regularly helping out with other stuff that can't be mentioned. Well done Down.

1 until 4 pm and is open to everyone, even youngsters as long as they behave.

If you didn't come to the last seminar, please see the web site for just how excellent it was and what students felt about training and learning from a Taekwon-do legend. I advise everyone to try and make this seminar as you will learn a lot.

TSI Invitational's

The next regular tournament the Academy is due to enter is the 6th Invitational's, which takes place in St. Albans on Sunday 27th September, with kids in the morning and teens and adults from 12pm. It is suitable for all ages and grades and is a fairly large tournament. Entry forms will be emailed around shortly, please fill them out correctly and clearly and return them to Mr Anslow ASAP with the £15 entry fee - please DO NOT wait until the last minute as we need to do the team sheets and you won't get on it! This year's event features patterns, sparring, destruction (on an electronic kick shield for 8 to 13 year olds, on boards for 16+), plus the Team patterns division. Deadline for entries that don't incur a late fee is the end of

Master Willie Lim - Sunday, 13th September

I hope you are all planning to come to this event and learn under a premier pioneering Taekwon-do Master!

Please note seminar costs are now £25 through August and continue to go up as the event date gets closer. It runs from

August!

Camping In Boats

Unfortunately, the dates for the camping trip have fallen on the same date as the LTSI Invitational's, so we have had to abandon them for this year, as it's also the last weekend of the camping season. However, we are looking into a canal boat trip like we did a few years back, it's a little more expensive, but a whole lot of fun and as it's enclosed, we can do it later in the year (October). Please let Mr Anslow know if you are interested in this, as we need a decent number of people to make it viable.

September Grading

This is scheduled for Wednesday, 16th September. Students will be tested on their grade criteria, as well as previous criteria (including theory), so ensure you are up to scratch on it all and you have accrued enough credits to grade! Deadline for all grading entries is 7th September, after which a late fee will be charged (no exceptions!).

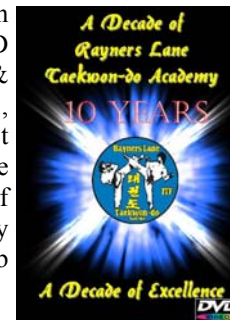

Anniversary Book

The Anniversary book, presented by Kate & Mr Avis on behalf of the students has been put online. So much effort and hard work went into the making of it, I thought it would be ashamed that only I get to view it, so along with photos from the even, it can all be viewed from the Academy web site.

Anniversary DVD

We are putting the final touches to the special DVD compiled to celebrate the Academy's 10 Year

Anniversary. The DVD features the Special Anniversary Video shown for the first time at the party, plus the Anniversary Book, Fun Awards Photos & Photos from the party. It also features 27 other great videos, including some not seen before such as the tournament footage of Mr Gautam Vs Mr Anslow at the English Championships (amongst other), all on one long play DVD with runs for 3 hours & 39 minutes, representing great value for money. The DVD replaces many of the DVD currently available on the web site and costs £19.99
